Personal Statement

I am specialising in Anaesthesia and Intensive Care Medicine. Long term I would like to continue working in both of these areas. I am interested in teaching and the impact of communication on patient care.

I aim to gain further skills in echocardiography and at present I am working towards a Certificate in Clinical Performed Ultrasound (Rapid Cardiac Echocardiography) from the Australasian Society for Ultrasound in Medicine.

Education

Postgraduate Diploma in Child Health (DCH), University of Otago. 2006

Bachelor of Medicine and Bachelor of Surgery (MBCbB), University of Otago. 2004

Awards Received

Otago University Scholarship in Medicine, University of Otago. 2001

Agnes Randall Memorial Prize in Physics, University of Otago. 1999
